

NEW Rotary Milking Parlor built in 2022

DAIRY FARM TOURS

Come see how we care for our cows each day at our modern-day family dairy farm! If you come early enough (before 9AM), you can help us feed the baby calves a bottle of milk OR we can give the calves a bottle of water *anytime* of the day! We will meet the newest baby calf, learn what our cows eat, walk through the free-stall barn and see the cows getting milked on a "merry-go-round" aka rotary parlor! If time allows, groups can play in corn pit or see donkey & goats.

Parlor Hours: 7:30AM-12PM and 2:30PM-7PM

\$10 PER PERSON

A tour takes about 1.5-2 hours walking - and that includes an ice cream treat at the end! Ask about the wagon ride option! (~35 kids fit on wagon) Minimum: \$100 per tour

RODEN BARNYARD ADVENTURES, LLC
