

WHAT TO EXPECT

Welcome to Farm Camp

It's FARM CAMP time! We are so excited for this summer. Whether it's your first time on the farm, or you've attended multiple times; we hope you're ready for a DAIRY good summer! Below are some important details to help you prepare for your Farm Camp experience.

What to Bring

Rain or Shine. Farmers still farm, and campers still camp! If there is rain in the forecast, please be sure your son/daughter is prepared (likewise, if it's hot and humid). As long as there's not severe weather, we will still be outside working and/or playing! We will start each morning feeding the animals, then spend lots of time running around outside, playing games, free time in the corn or by the calves, and take a break inside for crafts and snacks. If time allows, and it's hot, we do have a slip-n-slide. However, we will not use the slip-n-slide on the first day of camp or during Little Farmer sessions. Swim suit is optional.

Essential Items:

WEAR: Close-toe Shoes and "Barn Clothes" or clothes that can get dirty

*Tennis Shoes or Boots, Pants or Shorts - Just don't plan to stay clean

LUNCH: If you are staying for the full day, bring a lunch

SNACK: We will provide AM/PM snacks

*If you have allergies, we prefer that you bring your own snacks!

WATER BOTTLE: We will be very active, so it's important to stay hydrated!

Suggested Items:

IF RAINING: Rain Boots, Umbrella & Rain Jacket

IF HOT/SUNNY: Sunscreen, Swimsuit & Towel (for slip-n-slide)

IF MESSY: Extra set of clothes

Drop Off & Pick Up

Head to the tan building that we call the "Clubhouse" (turn left after calf barns)

A parent/adult must sign the campers IN and OUT every day.

Regular Farm Camp & Advanced

Drop Off between 8:00-8:15AM. First activity will start at 8:20AM. Pick Up by 2:30PM

Little Farmers (ages 4-6).

Check your registration for start/end times. Check-in starts at 8:45AM or 12:00PM

*Little Farmers start later to avoid congestion in the clubhouse each morning

Questions?

If you have questions regarding your specific camp, please don't hesitate to reach out to Jacki via text, call or email. Let's make it a DAIRY good summer!
